Defendants)	

Kimberly Genereux, the plaintiff, hereby moves this Court *in limine* to allow her counsel to redact her psychotherapy records to eliminate references to conversations relating to the instant litigation.

In support of her Motion, the plaintiff states the following:

1. The references are irrelevant to the plaintiff's medical condition resulting from the rape.
2. The references are irrelevant to the issue of liability.
3. The references demonstrate the plaintiff's concerns about the difficulty of holding the defendants liable for incidents which occurred in the Cayman Islands, occasionally relate information learned from counsel, reflect the distress that she has experienced as a result of the litigation, and would be highly prejudicial to the plaintiff's claim.

The plaintiff will file copies of the pages she seeks to

redact with the portions to be redacted highlighted for the convenience of the Court.

By her Attorney,
